users. Interfaces new or upgraded systems into the network, forecasting future network operational needs, troubleshooting major and or previously undocumented systems failures, continually testing and analyzing the network and its various systems, and identifying and planning for potential system problems. Analytical thought becomes more important at this level due to increased data and changing situations. Involves leadership as a senior consultant or project leader, or supervisor of a small staff, performing the same or similar work as those overseen.

Incumbent effectively reviews, plans and maintains the physical phone system. This includes providing tactical and strategic input on overall phone system planning and related projects. He/she is responsible for all phone equipment within each branch as well as training of personnel in its use. Performs routine network equipment and telecom system startup and shutdown procedures, and maintains control records. Extracts information required by technicians in identifying the individual wires, cables, and cross connections that make up the network. Tests and analyzes all elements of the data, voice, or video networks, including software, power, communication equipment, lines, modems, and terminals through terminal input. Analyzes information obtained from various computer systems and dials in to remote network concentrators, multiplexers and PBXs to isolate network problems.

Monitors network performance in order to determine whether adjustments need to be made, and to determine where changes will need to be made in the future. Diagnose hardware and software problems and repairs, replaces, or adjusts defective components. Employee must be able to work on multiple projects simultaneously.

Minimum and Preferred Qualifications: Requires successful completion of 24 hours of computer science, telecommunications or video maintenance coursework or appropriate certification; Three (3) years experience in monitoring and problem solving data, voice, and/or video networks. Incumbent must have full color vision, ability to climb ladders, and this position is required to travel throughout the State with occasional overnight stays.

PLEASE NOTE: In order to be qualified for this and any position with the Kansas Adjutant General's Department, the applicant MUST MEET THE MINIMUM QUALIFICATIONS for the position. These qualifications MUST BE IDENTIFIED on the application/resume. Failure to include the minimum qualifications on the application/resume may result in disqualification and the applicant will not be considered for the position.

IMPORTANT: Must have a valid driver's license and the ability to obtain and maintain a Department of Defense Secret Security Clearance.

How to Apply: The application process has 4 STEPS.

STEP 1: Register by completing the online Personal Data Form at <http://da.ks.gov/ps/aaa/recruitment/jobsteps.htm>

(Skip this step if you already have an Applicant ID number.)

STEP 2: Complete the official State of Kansas application form at <http://da.ks.gov/ps/aaa/recruitment/intro.htm>

STEP 3: Submit your online application to The Adjutant Generals Department. You may also submit a paper copy of your State of Kansas Employment Summary to: The Adjutant Generals Department, State Human Resource Office, 2800 SW Topeka Blvd, Topeka, KS 66611-1220.

STEP 4: Submit additional documents such as cover letters, resumes, transcripts, and/or certifications by e-mailing them to janice.l.harpe5.nfg@mail.mil. Include your name and job requisition number on all correspondence when submitting documents. Contact Janice Harper (785) 274-1386 or Stephanie Burdett (785) 274-1460 for additional information. Your application will be considered incomplete and you may be found ineligible if you fail to submit the required documentation by the closing date of the vacancy announcement. Please reference Job Posting #175005. The Adjutant General's Department is an Equal Opportunity Employer.

Required Documents:

- State of Kansas Application Form: Send to Adjutant General's Department (Can be submitted on-line or as a paper application and must be received prior to the closing date of the job posting.)
